Raclet: a high-quality experience

*RACLET trailer tents are
exclusively made in France.*

With over 80 years of experience in manufacturing camping equipment, we take great care to select only the best components to ensure our products endure the test of time: high-quality outdoor-treated cotton, robust stitching, zip fastenings, TRIGANO or AL-KO axle, galvanised chassis, etc.

Most models come with a groundsheet attached to the awning to provide complete protection against damp and insects.

*RACLET trailer tents combine the comfort
of modern caravans with the fun
of camping holidays.*

These are tents which are built into trailers. They are easy to fold and pitch in a few simple motions. They contain one or more sleeping spaces, in addition to an awning that comes in various sizes depending on the chosen model and intended purpose. Whether they are for two people or a whole family, RACLET products cater for all your needs in terms of comfort and practicality to make your camping holidays pleasant and enjoyable and leave you with some great memories.

80 YEARS

For 80 years, Raclet’s key asset has been its expertise and it has never stopped its pursuit of optimal quality.

YKK

All our products use YKK zips and for greater resistance.

RELAX

Enjoy carefree holidays with all of the reliability and comfort of RACLET products.

RACLET: guaranteed quality

CERTIFIED EC APPROVAL

All our trailer tents comply with the applicable European standards and meet the latest road safety requirements.

This means that our trailer tents can be used in all EU member states.

Production margins may result in minor variations in weight, volume and dimensions.
This applies for all references in our catalogue.

NEW AWNING MODEL

SEQUOIA

The new RACLET SEQUOIA trailer tent has been designed to give you a comfortable and practical camping experience, whether it's for a family escapade or an outdoor adventure with friends. It will adapt to any type of holidaying, either travelling or at a set site. The SEQUOIA trailer tent stands out with its modern and elegant design, combined with exceptional features. Its modularity is a fantastic plus. It can thus be fitted (optionally) with an awning with a classic frame, which is more economical and designed for longer use, or an inflatable awning, which is quick and easy to pitch, for touring use. With the SEQUOIA, you can start enjoying your holiday as soon as you get to the campsite!

The SEQUOIA trailer tent also offers a well-organised and spacious living space. Its large bay windows offer optimal brightness and create a large living space (give specific surfaces for the 2 versions). Its kitchen space (GL version) gives you everything you need to cook up a storm for a relaxing evening after a day of enjoying the great outdoors. The latter is fitted with 3 gas burners, a sink with a tap, and multiple storage spaces. The SEQUOIA has multiple storage solutions (units in the sleeping space, storage pouches in the sleeping spaces and in the section interfacing) for your belongings and your camping equipment. The SEQUOIA is fitted with comfortable beds featuring real bed frames, so you can rest up with a good night's sleep after your outdoor adventures. The dark sleeping spaces mean you can enjoy some good lie-ins, just like at home. The air circulation system maintains a comfortable temperature in the trailer tent, cooling in summer and warming in winter, like a proper AC unit. This technology will also eliminate any risk of condensation. The cotton interfacing of the SEQUOIA provides optimal

breathability and waterproofing. You can then enjoy your camping holidays with peace of mind, without needing to worry about the weather. The SEQUOIA trailer tent offers the perfect combination of comfort, practicality and modularity. Whether you're a seasoned camper or just looking to enjoy some quality time reconnecting with nature, the SEQUOIA will cover all your needs.

SPECIAL FEATURES

- Innovative air circulation system (patent pending)
- Ultra-quick pitching with no need for pegs for the rear (10 mins. travelling)
- Easy pitching with a simple, curved frame
- Extremely spacious with two large sleeping spaces, a large living space and a good amount of storage space: family use
- Option of having a traditional awning or an awning with an inflatable frame
- Modern lines with rounded shapes. Dark sleeping spaces to filter out light
- With big windows offering maximum brightness, all of the windows also have black-out blinds
- Large vents with mosquito screens
- Quilted comfort mattress.
- Versatile: perfect for travelling or residential use.
